

STRATEGIC PLAN 2017-2020

OUR VISION

To be South Australia's recognised leader in advocating for the growth, development and quality of the industry led VET sector. We will be a powerful, influential and respected common voice at the highest levels of government.

OUR PURPOSE (MISSION)

As the peak body for not for profits in the VET sector, we support and advocate for our members; enabling them to deliver high quality industry led training to assist the growth of SA's economy.

OUR VALUES

- » Quality and best practice in member training and assessment
- » Integrity and respect
- » Collaboration and engagement

OBJECTIVES:

- » Negotiate improved funding levels
- » Identify and commence resource sharing / leverage modelling based on feedback
- » Enhance the profile for ITPA across stakeholders
- » Improve trust and engagement
- » Build internal capability and resourcing

We have two strategic platforms which underpin our objectives over the next three years:

SUPPORTING SUSTAINABLE PROVIDERS

- » Negotiate improved funding levels for members
- » Improve trust and engagement with federal and state government agencies
- » enhance profile for ITPA across the stakeholders

PROVISION OF MEMBER SERVICES:

- » Facilitate resource sharing for members
- » Timely and relevant communications to members
- » Shared Board and Executive education for members
- » Develop mutually beneficial project funded opportunities with key government stakeholders

ITPA MEMBER ASSOCIATIONS
